Excellent quick Vietnamese food. Very fresh and extremely similar to the authentic deal. Bahn Mi with pork was perfect - no additional sauce needed. The bowls are also splendid. I've eaten more Vietnamese home cooked food than most people in North America - this place is legit...

Best pho in the area! Super flavorful broth, tender meats and a great array of fresh toppings you can choose from.

The food is simple but amazing. There is a fresh batch where you can add as much or as little of your favorite toppings as you like. The lunch rush can get crazy, so try to come before or after. But yum totally delicious
